LOCKJAW

Caused the Death of Five Persons.

They Had Been Celebrating on July Fourth.

HARRISBURG, July 12.—Frank Weiss, aged 15 years, was dying at his home in this city as the result of a Fourth of July accident. Young Weiss was injured in the right hand last Tuesday by the explosion of a fire cracker and lockjaw followed.

WILKES-BARRE, Pa., July 12.—Miss Maggie Jacobs, aged 17, living with her parents in this city, met a horrible death from lockjaw. On the Fourth of July, while shooting blank cartridges from a toy pistol, she accidentally shot herself in the index finger of her left hand.

PITTSBURG, July 12.—Hugh Savage, 18 years old, of 4221 Calvin street, shot himself in the hand with a pistol July 4, and the wound developed into acute tetanus.

James Sweeney, 14 years old, of Banner alley, also shot himself in the hand with a toy pistol, similar to that used by young Savage. He suffered great agony from the pain. Dr. Ackers was called in and found that the boy was in the first stages of lockjaw.

Both boys died.

John Lang, the 15-year-old son of Joseph Lang, died at McKeesport of lockjaw, the result of being wounded by a toy pistol on the Fourth of July.

ON THE WAY.

Gen. Wheeler Will Sail For Manila On July 20.

WASHINGTON, July 12.—Gen. Joseph E. Wheeler left Washington enroute to the Philippine islands. He will go via Chicago, Omaha, Denver and Salt Lake, but as he is scheduled to reach San Francisco on Saturday, will not stop long at any place on the way. He will sail for Manila on the 20th.

"I have no plans of campaign," he said, "and shall not know what I am to do until I receive my instructions from General Otis. I should like to have it understood," he continued, "that I go to the Philippines in an entirely subordinate capacity. Not only General Otis, but General Lawton and MacArthur will rank me, and it is proper that they should, for while General Lawton and MacArthur were my juniors they have been in the field while I have not and deserve to have places superior to any assignment that may be given me."

He said he would not resign his seat in the house.

MURDER AT ERIE.

Chas. A. Swartzfager In Jail For the Crime.

ERIE, Pa., July 12.—O. E. Shattuck was shot Sunday evening on the trestle leading from the grounds of Grove House park, a pleasure resort by Chas. A. Swartzfager, a young man who had been paying attention to Mrs. Shattuck, which were resented by the husband. The body was run over by a trolley car and fearfully mangled, but the coroner's examination showed four bullet wounds in the head. Mrs. Shattuck was arrested and Monday evening was dismissed under surveillance.

Later, a friend received a confession from her which implicated Swartzfager, who had not before been suspected. She was then rearrested and jailed without bail on a charge of murder. Swartzfager, who is 35 years of age, while his paramour is 35, got word of the suspicions of the police and fled. He was arrested at Bradford.

STEAMER PARIS

Has Been Freed From the Manacles —Ready to Sail.

LONDON, July 12.—The salvagers have moved the American line steamer Paris astern for a distance of 150 yards, and have shifted the vessel's position slightly to the eastward. They hope to be able to get the after stokehold fires alight.

The Paris was now clear of the rocks. The sea was smooth, but a heavy fog prevailed.

The intention of the salvagers was simply to tow the stern of the liner so as to facilitate the operations of the divers, but it was found that she moved more freely than was expected. Three salvage boats alone practically removed her from a critical position unaided. She still has a distinct list, however, to the starboard and cannot be assumed out of danger.

The tugs are preparing to tow her to Falmouth harbor.

MRS. SCHULTZ

Is Now Asking For a Divorce.

Sensational Case at Zanesville Recalled by the Action.

CHICAGO, July 12.—A divorce bill filed in the circuit court by Mrs. Lucrotia Schultz of 1838 Arlington place against her husband, Bernard Van Horn Schultz of the Vexel Machine company, alleging cruelty and unfaithfulness, recalled the sensation in Zanesville (O.) circles in 1888, when it was announced that Bernard Van Horn Schultz, son of Robert D. Schultz, a wealthy soap manufacturer, had secured a divorce in Dakota from his wife, Mrs. Lucrotia Schultz. Mrs. Schultz, formerly Miss Hubbell, whose father was also a wealthy tobacco manufacturer in Zanesville, had long been one of the society leaders of the city, and the divorce was the talk of the town.

Subsequent to the entrance of the decree in Dakota, a reconciliation was effected between the couple, and in the fall of 1895 they were again married, against a protest from his father. In the bill which she filed Mrs. Schultz declares that she consented to the second marriage after her husband "on belated knees and with uplifted hands promised and vowed that he would be a good husband and live a virtuous life." These promises, she declared, had all been broken by him.

24 Dead of Fever.

WASHINGTON, July 12.—Surgeon General Sternberg received two cables from Major O'Reilly, chief surgeon at Havana, regarding the yellow fever situation. In the first he says:

Against City Car Lines.

CLEVELAND, July 12.—Municipal ownership of street car lines received a black eye at the meeting of the board of control when Law Director Hogsett submitted an adverse report upon the resolution offered in the city council last Monday night, providing for the building by the city of street car tracks and leasing them to the highest bidder. He declared he could find no law authorizing cities in Ohio to own or operate street railways.

WARD BLISS FOR QUAY.

Declared He Thought the Ex-Senator Could Be Elected at a Special Session.

PITTSBURG, July 12.—"It is my opinion that if the governor calls a special session of the legislature for the purpose of electing a United States senator Colonel M. S. Quay would be re-elected. His trial and acquittal entitle him to such a vindication, and it is my opinion that he will receive it."

The above statement was made by Hon. Ward R. Bliss, member of the house from Delaware county. Mr. Bliss was one of the most active of the insurgents which, as a body, prevented the election of Senator Quay by the last legislature and succeeded in maintaining the deadlock until the adjournment.

He further said he thought Magee would vote for Quay.

He called on some of the Quay leaders while here.
